

Getting to OilDoc

Getting here by car

Exit the motorway **A8 Munich-Salzburg** at the **Inntal interchange** onto the **A93** towards **Kufstein**. Take the first exit after the Inntal interchange, **Reischenhart**, and turn left towards Brannenburg (approx. 2.5 km). In Brannenburg, about 200 m after the railway underpass, turn left at the traffic lights into **Bahnhofstraße**. After approx. 150 m keep left (**Kerschelweg**). Follow the road for approx. 650 m until you reach OilDoc. Free parking is available at the OilDoc building in Kerschelweg 29 (see detailed plan).

If you arrive by plane or train

Munich airport is approx. 110 km north of Brannenburg. Take the **S-Bahn local railway line 8** from the airport to Munich Ostbahnhof. Change to the hourly **train to Kufstein**. The train stops in Brannenburg.

Train tickets start at around €18. The **total journey time** is **90 to 120 min**. Further information, up-to-date prices and timetables are available on the [Deutsche Bahn](https://www.deutschebahn.com) website.

Leave the railway station in the opposite direction from travel and keep right. Follow the road to the OilDoc building. They are around a **10-minute walk (1 km)** away. We will be happy to pick you up from the station directly. Please contact us by phone +49 8034 9047-700.

Airport taxi

If you would prefer to travel by taxi, we recommend using **Flughafentransfer Rosenheim's** airport transfer service. The **journey time** is approx. **90 min**. For more information, please visit www.flughafentransfer-ro.de. Book your transfer online or by phone at +49 8031 7976 540.
